# STONEY RIDGE

Winery & Vineyards

## 5 tastes for \$7

### Whites

Glass / Bottle

- Stoney Ridge White (Sweet)** 6 / 15  
This every occasion wine is a blend that combines cold hardy wine grapes into sweet aromatic wine. Look for bright, pure fruit flavors such as apricot and pear, and aromas of grapefruit, pineapple and tangerine.
- Swallow Barn White (Semi-Sweet)** 6 / 15  
This wine is reminiscent of spring with its precisely crafted citrus flavors and soft floral notes. It is enjoyable year round, but is especially refreshing served chilled or over ice in the spring and summer.
- Inclinations (Semi-Dry)** 6 / 15  
This single varietal wine has a gentle slope of flavors from floral to citrus on both the nose and pallet.
- La Crescent (Dry)** 6 / 18  
Apricot is most noticeable with tangerine, grapefruit, and other citrus flavors coming through in the finish.
- Chardonnay (Dry)** 7 / 22  
This cool climate chardonnay is a medium bodied wine with flavors of green and apple and tart pear, marked by noticeable acidity. Lightly oaked in french oak barrels.

### Reds

- Stoney Ridge Red (Sweet)** 6 / 15  
This sweet red wine is a blend of Michigan grapes that produces a wine rich with black cherry and jammy flavors. Enjoy chilled or as a spritzer for a refreshing summer drink.
- Alice (Dry)** 6 / 20  
This spirited wine has flavors of plum, black cherry, & dark fruit with a hint of pepper. Aged in french oak for 12 months. letting this one breathe for a couple hours will really enhance the flavors.
- Frick & Frack (Dry)** 6 / 20  
A blend of two "Cold Climate Wine Grapes", Marquette and Petite Pearl, a dry red wine, medium-bodied with notes of plum, cherries, spice, soft tannins and a complex, lingering finish.
- Marquette (Dry)** 6 / 22  
A grandson of pinot noir, this selection sets a new standard in cold climate wine grapes. A dry red wine, medium-bodied with notes of black cherries, spice, soft tannins, and a complex, lingering finish. Aged in french oak for 12 months.

In 2012, Stoney Ridge Winery and Vineyards was established in the famed area in northern Kent county, Michigan known as the "Ridge". This "agricultural mecca" blends deposits of fertile clay loam soils and its proximity to Lake Michigan to create a unique climate for the growing of premium fruits. We hope you enjoy the fruits of our labor.

Cheers! Mary & Dale
